Little Si Acupuncture
 Effective January 1, 2022

Debbie Yu, DAOM, LAC is an in-network provider with Premera, Lifewise, Aetna, UnitedHealthCare, Kaiser PPO, and Regence and will gladly bill them for you. Camila Herrera, LAC is currently not credentialed with any company but we are working to get her credentialed with the above as soon as possible.

For out of network companies, we can provide you with a superbill for you to submit directly to your insurance company for a reimbursement

Please note that even though most insurance companies cover acupuncture, coverage varies from plan to plan. It is ultimately the patient's responsibility to verify their specific coverage.

1: This rate will apply to the majority of patients on most visits. Actual charges may be higher or lower depending on the complexity of the condition treated and the actual time spent evaluating and treating each condition.

2: This service code is for the evaluation and management of a condition. Most conditions treated in acupuncture are appropriate for this level of service. Some conditions may be less complex and therefore billed at a lower rate while some very complicated or severe conditions may be billed at a higher rate.

3: This list attempts to capture those services most often rendered and billed at Little Si Acupuncture, LLC. Other charges may apply.
